

# FINANCIAL STATEMENTS: Interpretation and Risk Assessment

## About This Course

*Financial Statements: Interpretation and Risk Assessment* provides an intermediate level understanding of how to interpret financial statements. This class begins with a review of financial statements and reporting, and a special emphasis is placed on understanding what is behind the numbers included in an annual report. Students will also learn how to analyze the statement of cash flows, long-term and short-term debt paying abilities, liquidity of short-term assets and profitability. *Financial Statement Analysis I* is a prerequisite for this course.
