

7 Proven Strategies for Reducing DSO and Improving Company Cash Flows

Thursday, December 7, 2017
10 am - 11 am CT

About the Webinar

In this live presentation, we will discuss how quick collection on customer accounts can be tricky – many companies struggle with a high Days Sales Outstanding (DSO) value, which leads to greater challenges like:

- Damaged customer relationships
- Negative company cash flow
- Stunted revenue growth

Join us for a 60-minute live webinar to discover how technology can lead to seven proven strategies to reducing DSO and getting company cash flow in the green.

About the Presenter

Chris Quass

Chris Quass is a Senior Mid Market Account Executive for Esker, a worldwide leader in cloud-based document process automation software, with his focus on accounts receivable & collections management automation. Chris has over 12 years' experience with customer payment processing, with an expertise in providing software-as-a-service solutions that compliment an organizations current IT environment while improving their productivity, efficiency and environmental impact. Chris attends a variety of NACM events throughout the year representing Esker & helping NACM members improve their current Accounts Receivable processes.
